

Are you a compassionate, kind hearted individual who would like to make a difference in your community while earning extra cash?

Start training for...

S.A.F.E. – Sexual Assault Forensic Examiners

A select group of highly educated, NYSDOH certified examiners that specialize in forensic exams on individuals that have been a victim of sexual abuse. They complete physical exams, submit required forms, gather information on patients history and works with law enforcement with case processing.

S.A.F.E. requirements:

- A licensed health care practitioner as defined by the NYS Department of Health (RN, Licensed Midwife, NP, PA, MD or DO)
- Complete Sexual Assault Examiner course
- Complete training course specific to Southern Tier Health Care System, Inc.

Once certified:

- Sign up for 3 shifts per month
- Complete 15 hours of continuing education credits related to the S.A.F.E. role every three years.
- Attend quarterly S.A.F.E. meeting at least twice a year.

Benefits:

- Compensation for each S.A.F.E. exam completed
- Certification through NYS Department of Health as a Sexual Assault Forensic Examiner
- Funding towards continuing education credits.
