

Certified Lab Instructor Course

**SEPTEMBER 13, 14 & 21, 2019
SOUTHERN TIER HEALTH CARE SYSTEM
150 NORTH UNION STREET, OLEAN**

You must attend all three sessions to complete the course

Visit www.sthcs.org/stems to register.

PREREQUISITES:

- Hold current certification as a NYS EMT or higher
- Must have provided direct, hands-on, pre-hospital patient care with a NYS Certified EMS agency, at the EMT level or higher for at least one year within the last three years
- Have no open clinical or criminal investigations on a local, regional, or state level prior to or during the CLI course or internship period

CERTIFICATION REQUIREMENTS:

- Attend and successfully complete all modules of the NYS CLI course
- Serve as a CLI intern under the supervision of a currently certified NYS CIC Instructor in a BEMS approved certification course at the EMT level or higher
- Instruct the minimum lab sessions, as dictated on CLI Internship Tracking Form
- Successfully pass the NYS BEMS CLI written instructor examination

More information on the CLI requirements can be found in BEMS Policy 19-01
