

# Approaching Alzheimer's

Monday, October 22, 2018 at 6:30 p.m.—8:00 p.m.

Locations:

Southern Tier Health Care System—live

Town of Cuba Ambulance—via distance learning

Gerry Volunteer Fire Department—via distance learning

Jones Memorial Hospital—via distance learning

This course specific for EMS professionals and their interactions with people living with dementia. Alzheimer's Association WNY help them understand how to identify when they may be working with someone with dementia, and tips for how to respond to situations commonly involving those living with dementia. They also provide information on resources to assist the first responders and caregivers in the community.
